

Good Deals Don't Come Along Often! Here's Some Just for You!

It is no secret that the economy is presenting a challenge to all of us. We want to fill the Bremerton Marina and tenants want lower boating expenses. So, here is what we are doing:

- Tenants who execute a six month paid in advance moorage contract will receive \$100 in fuel vouchers which can be redeemed at the Port Orchard Marina fuel dock.
- Tenants who execute a twelve month paid in advance moorage contract will receive a moorage payment voucher for month 13.

Notes

1. Moorage vouchers do not include leasehold tax or electrical charges. Moorage vouchers will have no cash value and may only be used for moorage payment.
2. Fuel vouchers will have no cash value and can be redeemed only at the Port Orchard Marina fuel dock. Vouchers will be issued in \$50 increments and change will not be given at the fuel dock. Fuel vouchers will expire one year after date of issue.
3. We will not replace lost or stolen vouchers.

And the Good Deals Just Keep On Coming!

Incentives for Our Existing Tenants

- **Retention Bonus:** In January of each year we will give each of our tenants who have a record of on-time payments for the previous twelve months a moorage payment voucher equal to one-half month's moorage. Tenants must contact our office in January to request the voucher and the voucher must be redeemed no later than the March moorage payment.
- **Recruitment Bonus:** If you bring us a new tenant who stays with us for six consecutive months, you will earn a moorage payment voucher equal to one month's moorage. Tenants must contact our office to request the voucher and the voucher must be redeemed no later than 90 days after issue. Only one voucher will be issued for each new tenant; however, you can earn a voucher for multiple new tenants.
